- Fifth Amendment of the United States Constitution*

PLEASE GET INVOLVED IN ONE OF THE MOST IMPORTANT SOCIAL JUSTICE MOVEMENTS IN MODERN DAY AMERICA!

About The Due Process Advocate:

Black’s Law Dictionary, 6th Edition defines due process rights as “All rights that are of such fundamental importance as to require compliance with due process standards of fairness and justice. Procedural and substantive rights of citizens against governmental actions that threaten the denial of life, liberty, or property.”

Currently, there is overwhelming evidence that due process rights are being compromised, suppressed, and/or just blatantly denied to promote a host of political and private agendas at the cost of justice in our courts.

Perhaps you have had a personal experience that involved the denial of your rights?

We would like to hear your story!

It is the express purpose of The Due Process Advocate to expose and stop the proliferation of “government endorsed” actions and policies designed to remove due process rights from the common person to serve private interests. The immediate, public demand for the restoration of due process rights throughout this nation’s legal arena may be the real key to future prosperity in America.

Without the return of the constitutionally-guaranteed due process rights that are the foundation of American justice, we risk economic and social chaos.

Please don’t hesitate to contact The Due Process Advocate if you have a personal experience, involving the costly denial of your rights, that you would like to share with our readers.

Thank you!
